 names are listed below) of the subject matter which is claimed and for which a patent
 is sought on the invention entitled **ORGANIC COMPOUND AND METAL ION
 SYNERGISTIC DISINFECTION AND PURIFICATION SYSTEM AND
 METHOD OF MANUFACTURE**, apparatus, the specification of which is attached
 10 hereto.

We further state that we do not know and do not believe that the above-named
 invention has ever been known or used in the United States before our invention
 thereof, or patented or described in any printed publication in any country before our
 invention thereof, or more than one year prior to this application, or in public use or
 15 on sale in the United States more than one year prior to this application; that the
 invention has not been patented or made the subject of any inventor's certificate in any
 country foreign to the United States on an application filed by us or our legal
 representatives or assigns more than six (6) months prior to this application; and that
 20 no application for patent or inventor's certificate on the invention has been filed by us
 or our representatives or assigns in any country foreign to the United States, except as
 identified below.

We hereby state that we have reviewed and understand the contents of the
 above-identified specification, including the claims, as amended by any amendment if
 applicable.

We acknowledge the duty to disclose information which is material to the
 examination of this application in accordance with Title 37, Code of Federal
 Regulations, Section 1.56(a).

We hereby claim foreign priority benefits under Title 35, United States Code,
 Section 119 of any foreign applications) for patent or inventor's certificate listed below
